

In an attempt to provide support for the current 2018/2019 THRIP application process, RC&I will be hosting an information session on the general THRIP application process. The aim of the information session would be to assist UCT colleagues, and the associated commercial partners, to successfully complete and submit applications for DTI THRIP funding. The session will also shed some light on the THRIP process going forward post application stage. The details for the information session are as follow:

- UCT THRIP Information Session
- 4 April 2018
- Mafeje Room, Bremner Building
- 14h00 – 16h00

The agenda is not yet finalised, but topics will include:

- UCT THRIP Application Process
- Discussion on THRIP guidelines
- Relevant agreements and legal considerations in projects
- Post application process
- Q&A

The information session is open for industry partners to also attend should there be queries from their side.
